PTL Walk-A-Thon, PTL's main fundraiser, will be held on Friday, September 24 at Ost Field. Students are asked to collect pledges over the next 4 weeks from family and friends and bring in loose change. With the funds raised, PTL is able to support the students and teachers through its many programs. Since we were unable to fundraise last year due to Covid, we really need your support/donations to help fund these programs. Your support is very much appreciated!! Go Bobcats!! Sincerely, Immanuel PTL Board

Immanuel Lutheran School is very interested in hiring several individuals to assist with the Extended School Supervision (ESS) program that our school operates on each school day. The hours are roughly 2:00 until 5:30 pm and the opportunity to work each school day is available. For individuals who would rather work less (maybe one, two or three days per week), there are also opportunities.

ESS is a structured program that is both fun and educational. Each day may vary in activities but gym time and outside time (weather permitting) is available every day. ESS also provides a quiet environment for students that need time to complete their homework assignments with staff assistance.

The Job Description can be found on the Immanuel website under Employment Opportunities on the landing page, www.immanuelpalatine.org

We are looking for volunteers who would be willing to cook a meal for church members who are in need of temporary assistance (i.e. due to illness, injury, death in the family, etc.). You do not need to commit for every time, only when you are able.

Please contact Linda Stammer in the church office at lstammer@ilcp.org or (847)359-1549 if you are interested in being on our "on-call" list.

Gift cards to local restaurants also accepted. Please drop off in the church office.

Jaki Hernandez was left at an orphanage in Guatemala by her young mother when she was only a few months old. Sharing a room with 12 other girls, Jaki learned to protect the few possessions that she had.

One December, when Jaki was 5 years old, she received an Operation Christmas Child shoebox gift. Cuddling the stuffed animal she received in her shoebox, Jaki felt special, loved and cared for. She had something to call her own.

One year later, she was adopted into a family in the United States and she started packing shoeboxes to share the love of Jesus with other children like herself.

To hear about God's love in her life, please join us for a special time of Jaki sharing her testimony.
