Sign Language Interpreter

A sign language interpreter is needed each Sunday at our 10:45am live streamed church service.

This paid position interprets and translates spoken language using American Sign Language or other manual sign system in order to facilitate communication between hearing and deaf/hard of hearing individuals. Prior interpreter experience is preferred.

Applicants must have the ability to interpret spoken language to sign language and should have completed an accredited interpreter training program or be currently involved as a practicum student. Illinois State Licensure is not necessary.

Qualified applicants should complete our online application.
