

# Pill Bottle Fishing Kit

## Ingredients for Pill Bottle Fishing Kit:

- 1 Pill Bottle
- 2 Corks with holes in middle
- 6 yards of 8-10 pound fishing line
- 4 small hook
- 4 medium hooks
- 12 split shot weights
- 2 sinkers
- 1 Fishing Kit Label

## Assembly Instructions:

1. Label bottle.
2. With one of the corks, tie a line through the hole and knot. Wrap remaining line around cork. Use tape to secure if needed.
3. With the second cork, push 4 small hooks and 4 medium hooks into cork.
4. Place both corks with line and hooks in pill container.
5. Add 12 split shot and 2 sinkers.
6. Place cap on and secure.
